Meeting date: 2/10/23
Discussed roles and finalized the group roles and details document
A lot of confusion around what is specifically going to be done on the project in terms of each persons individual role. A lot less hand holding with this project

Meeting date: 2/17/23
Discussed responsibilities of each role, still seems a little confused about it (me too).
Style guide seems to have been completed, and there's now and outline of the information that we have to research.
